RE: School Bus Registration for 2020-2021

To: Parents/Guardians of City of Camrose Busing Students,

Our records indicate that one or more of your children utilized Battle River School Division bus service for the 2019-20 school year. We wanted to let you know about some changes to the way registration will be.

All students who require a bus pass for the City of Camrose **need to reapply each school year**. Information regarding registration for BRSD & EICS students can be found online at:

<https://www.brsd.ab.ca/families/transportation/registration>

Eligible students, who have pre-registered, will be able to pick up their bus passes starting August 12th. Please watch your email for further information about the dates and times.

In previous years, the Transportation Department issued bus passes to non-eligible students through a first-come, first-serve, line up at our office mid-August. We are changing this practice moving forward.

This year, **non-eligible students** will be issued bus passes, if space permits, in the order that their application is received by the Transportation Department. We encourage you to complete and submit your application as soon as you are able to do so. Parents will be contacted via email, in August, with information on how to provide payment and when to pick up their child's pass. Please be advised that your seat could be revoked if an eligible student requires it.

If you have any questions or if you are unsure of your eligibility, please send an email to transportation@brsd.ab.ca and we will get back to you as soon as possible.

**Please remember that transportation is subject to change depending on the coronavirus situation.
We will keep you updated as we receive more direction as to what a return to school will look like.**

Thank you,
Transportation Department
Battle River School Division
