

USE OF ALCOHOL IN DIVISION SCHOOLS

Background

Except with the prior permission of the Superintendent and in accordance with provincial legislation and regulation, alcoholic beverages will not be consumed in Division schools.

Procedures

1. No alcoholic beverages may be served, sold or consumed on school property during normal operational hours.
2. All requests regarding the consumption of alcohol for school-based staff functions must be submitted by the Principal.
3. The Superintendent may approve the consumption of alcohol in school buildings for school-based staff functions that occur outside of normal operational hours.
4. The Superintendent will advise the Principal, in writing, of any Division social functions for which the consumption of alcohol in the school has been approved.
5. The Principal shall ensure that the privilege is not abused and that no consumption of alcohol occurs while students are in the building.
