

School Bus Registration 2021-2022

Our records indicate that one or more of your children utilized Battle River School Division bus service for the 2020-2021 school year. We wanted to update you about the process for the 2021-2022 school year.

All students who require a bus pass for the City of Camrose **must reapply each school year.**

*****New this year, students who attend OLMP or St. Patrick's School will apply using the form on Battle River School Division's website, instead of Powerschool. *****

EICS Families:

Please note that if you already applied via the EICS Power School Portal for the upcoming school year, your application will **NOT** be processed. ALL busing requests must go through Battle River School Division's online registration form, and therefore we must ask that you **re-apply** for busing using this method. We apologize for the inconvenience.

Online applications for bus service will begin on Tuesday June 1st, 2021

Battle River School Division's website:

<https://www.brsd.ab.ca/families/transportation/registration>

Please be sure to read the tab - Student Transportation (Urban City of Camrose) - on the website, prior to submitting your application.

Ineligible students will only be added to the bus if space permits and if all fees for transportation from previous years have been paid in full.

*****New this year... Applications received AFTER August 13th, 2021 may not be processed until September 1st, 2021*****

If you have any questions regarding eligibility or any other bus related question, please email our office at transportation@brsd.ab.ca for the quickest response.

Thank you & have a wonderful summer break!
